

COMETS SHINING BRIGHT

Thank you to all of the families who have shared pictures of how our students are staying active outside of school in sports or other physical activities. The kids are enjoying seeing their pictures at the front of the school. We want to continue to highlight our students' accomplishments on our PE bulletin board. Families who still want to share their students' involvement can send in the following information about their student and attach a photo to be displayed throughout the school year. Please e-mail Greg Kirchen and Craig Damrow to share!
