

BACK TO SCHOOL

We support IPPL families and their students' learning. Our librarians communicate regularly with local schools. We are partners in your child's education and continually strive to offer resources, spaces, and programs that support learning, exploring, and the sparking of creativity and inspiration.

Our friendly, expert team is ready to help.

✓ Use our computers or printers.

Send assignments from your home computer through our eprint service to be picked up.

Free tutoring help is available through Brainfuse HelpNow with an IPPL card.

✓ Study here.

Need to find a quiet spot to study or a place to collaborate with others? From individual rooms to tables in our cafe, we have something for everyone.

✓ Find reliable, age-appropriate resources.

Research databases are electronic resources that are easy to search—and we have them.
