Dear Cass School District 63 Community:

The Board of Education would like to announce the retirement of Superintendent Dr. Kerry J. Foderaro at the conclusion of the 2019/20 school year. Dr. Foderaro has successfully served as Superintendent since 2005 and we are truly grateful for his dedication and significant efforts. He will be dearly missed.

We have contracted with an executive search firm, BWP & Associates ("BWP"), to assist in the new superintendent selection process. With the assistance of BWP, we are developing a plan that will enable us to have a new superintendent begin on July 1, 2020. While the selection of a superintendent to lead the District is one of greatest responsibilities of the Board of Education, we value and more than welcome our school community's input on the process. Input from school families, CARE, staff and the community at large, will help us develop a detailed profile and assist us in selecting a dynamic leader to not only best meet our needs, but to continue to build on the District's many successes.

The executive search firm will be providing an online survey and conducting face-to-face meetings at the beginning of the 2019/20 school year. More detailed information will be forthcoming in late summer. You can always find up to date information on this process on the District website, under [Superintendent Search](#).

We look forward to you being a valuable part of this extremely important process. We hope you have a safe and very enjoyable summer.

Sincerely,

Shelly Camden
