Dear Cass School District 63 Families,

First, we hope this communication finds you and your family healthy and well.

Second, the Governor, yesterday, extended both the “stay at home” and “school closure” until Thursday, April 30. We anticipated this extension and have been planning accordingly.

Our E-Learning program, which is now being classified by the Illinois State Board of Education as Remote Learning, will be extended now through Thursday, April 30 with some minor adjustments, as detailed in the Cass School District 63 E-Learning / Remote Learning Plan also included in today’s NoteTotes. Please review the provided plan and let us know if you have any questions.

Here is a list of Cass School District 63 dates and activities through the month of April:

Friday, May 1	School Facilities Open* *Subject to Change

Again, we are hoping for the best, but planning for the worst. This planning includes the possibility that our school facilities will be closed the rest of the school year. As you know, in addition to day-to-day school, there are some significant activities the last several months of this school year. This includes, but are not limited to Washington, D.C. trip, Grade Four Clap Out, Field Day, Grade Eight CARE Dance and Graduation. We are closely looking at each one of these activities and more. For most, it is too early to make a decision. For those that have a financial component attached to it (i.e., Washington, D.C. trip), please know we are fully focused and working hard on doing everything we can so those that have made investments will have minimum or no financial impact. We are sorry we cannot give you a definite answer on these activities at this moment but will as soon as we can. Thank you for your patience and understanding.

We know the Coronavirus/COVID-19 pandemic has been a challenging situation for all. We would like to sincerely express our appreciation that during this unprecedented time, you and your family have still found time and energy to support and prioritize our school district's efforts to continue the learning process for your child(ren). Thank you.

Finally, please remember to let us know if we can assist your family directly or by recommending local resources during this "stay at home" and "school closure" period.

Healthy wishes,

Kerry J. Foderaro
