Dear Cass School District 63 Families,

The Governor has just announced this afternoon the extension of the mandated school closure from Thursday, April 30 to now, the end of the 2019/20 school year. We had been anticipating and planning for an extension and now we will continue to adjust accordingly.

Knowing the true extent of this closing, it will allow us, and hopefully you, to plan even more effectively. While I think everyone would agree that this is not ideal, it will be our reality and we will commit 100% to providing the best E-Learning/Remote Learning program possible.

As a result of this closure, all of the remaining extra-curricular activities, as originally planned will be cancelled or postponed. Details regarding alternative extra-curricular activities such as Grade Eight Graduation, Grade Four Clap Out and the like, will be communicated to you by our individual schools and sponsors in the next several weeks. In the interim, thank you for your ongoing patience as we work out details.

The health and safety of all has always been Cass School District 63's number one goal. We are in full support of the mandates and guidance from state and local officials. For the health and safety of your family and of all, we strongly encourage you and your family to do the same.

Listed on the following pages is our E-Learning/Remote Learning program calendar between now and the end of the school year. As always, if your family needs support during this unprecedented time, please.

Take good care,

Kerry J. Foderaro
