Dear Cass District 63 Families:

A Kindergarten Round-Up will be held at Concord Elementary School on Thursday, February 27, 2020 at 6:00 p.m. In order to be eligible for Kindergarten, a child should reach his/her fifth birthday on or before September 1, 2020. We have tried to keep an updated list of children who will be attending Kindergarten but please notify any of your neighbors or friends who live in the district and are eligible for the Kindergarten Program.

Please see below for information on what to expect for Kindergarten Registration:

- Notify the school office as soon as possible if you have a child who will be five years old on or before September 1, 2020. If you know of another district resident who has a Kindergarten aged child, please have them call the Concord Elementary School Office.
- Watch the mail in February for more detailed information about the registration process, including copies of all forms that will be due at Kindergarten Round-Up on February 27, 2020.
- Prepare necessary documents for your child's file: proof of residency documents, birth certificate, medical forms and discuss any special needs your child may have. All documents for your child's permanent file will be due at Kindergarten Round-Up. Medical documents will be due on or before July 1, 2020. In addition, you will register for Kindergarten Screening at this time.
- Please note that registration packets and documents for proof of residency are required for all new students, even if there is another family member already attending school in the district.

Please contact the Concord Elementary School Office at 331/481-4010 if you have a child eligible for Kindergarten and/or should you have any questions.

Thank you,

*Laura Anderson, Ed.D.*
