Prekindergarten Screening

Parents of three, four and five-year old children, who do not yet attend Kindergarten and are residents of Cass School District 63 may register for a free Prekindergarten Screening. Prekindergarten Screening will be held on Friday, October 25, 2019. Children must be preregistered to participate in the Prekindergarten Screening sessions. Sessions will last about one hour. To register, please contact the Concord Elementary School Office at 331/481-4010.

Children who qualify based on the Prekindergarten Screening will be eligible to attend our Blended Prekindergarten Program for free. Our blended program will provide high quality prekindergarten education that will be held 2.5 hours each day, five days per week. This program is taught by licensed Early Childhood teachers using the research-based Creative Curriculum. If your child does not qualify to attend our program for free, Cass School District 63 offers a tuition-based option that serves children three to five years old who are progressing at a rate typical for their age.
