A Documentary Film and Discussion with Filmmaker
Dr. Delaney Ruston

Filmmaker and physician Dr. Delaney Ruston takes the conversation around screens and teens to the next level with Screenagers NEXT CHAPTER: Uncovering Skills for Stress Resilience.

This film, which includes interviews with District 86 students, examines the science behind teens’ emotional challenges, the interplay of social media, and most importantly, what can be done in our schools and homes to help them build crucial skills to navigate stress, anxiety, and depression in our digital age.
