

Darien Remembers...

September 11th, 2021, marks the 20th Anniversary of a most tragic day in U.S. History! The City of Darien, in conjunction with the Darien Chamber of Commerce, will be planning a weekend of remembrance to commemorate the 20th Anniversary of 9/11. We will be conducting events ranging from a parade to a patriotic concert at Carriage Greens. Banners with the theme "Darien Remembers 9/11" will line the 75th and Cass Avenue corridor. The Chamber will be running their "Darien Dash" with the 9/11 theme. We kick off on Sept. 7th by declaring "**Darien Remembers 9/11**" month in the City of Darien, and we will be publishing items in our Darien Direct Connect that provide a history of the event.

Please join us at the following community events:
