

HONORING THOSE WHO SERVE

**Let's all work together to show how much
Cass Junior High School cares!!**

Between Monday, October 25th and Friday, November 5th, we will hold a school-wide collection drive for American soldiers currently deployed in Iraq. The items collected will be sent to a troop currently deployed in Iraq that has a personal connection to a Cass family.

GOAL: Collect at least one item per student at Cass Junior High School. If each student in your ELA class donates at least one item from the list below, students will work with their English/Language Arts teacher to plan a day of fun in class.

**Please bring all donations to your
English/Language Arts classroom.**
