

Wild OAKtober

Darien Garden Club and Indian Prairie Public Library are collaborating to celebrate Wild Oakttober with a family friendly community event.

Don't miss a special presentation and exhibit from the Jurica-Suchy Nature Museum and other walk-up native ecosystem education.

Don't leave the kids (squirrels) at home as we'll have an acorn or a sapling to grow your own tree!

See details here: <https://dariengardenclub.com/upcoming-events>
