Jason Madl, Director of Deans  
Nick Chavarria, Activities Director

Dr. Kyle Burritt, Assistant Principal for Operations  
Kristin Marks Pascavage, Director of Special Education

Art Ostrow, Athletic Director

## Youth Admission

All middle school students and younger children must be accompanied and supervised by an adult who purchased a ticket or has a HS Boosters ticket/pass. This adult is expected to be present at the game for the entire time while the child(ren) is present

If there is no adult present for students younger than high school age, they will not be permitted in the stadium.

Any child(ren) without adult supervision and/or who cannot find their supervising adult will be required to contact a parent/guardian and be picked up from the game immediately.

Essentially, we need parents & guardians of non-high school aged students to accompany and supervise students at HS football games. This is for the safety of younger (non high school aged) children in attendance.
