

Supply List

Cass Junior High School

2023-24 School Year

Shown below are the supply items for each grade level. Many of you may have pre-purchased these items via the supply kits that were sold during the school year. (These items will be available for pick up at our August registration.) In addition to the items listed below, your children's teachers may require additional items. The teachers will give you and your children this information when school begins. Supplies will need to be supplemented periodically. Please be advised that wheeled backpacks do not fit in the lockers.

All supply and clothing items should be marked with your child's name. We would like to keep our lost and found as empty as possible.
