III. Reports, Updates and Informational Items
A. Administrative Reports
Mr. Cross reported on behalf of Concord Elementary Principal Laura Anderson, highlighting the end of the year activities with students, including a great last day of school with the 4th grade clap out.
Principal Marcinkewicz highlighted 8th grade graduation sharing that she received many compliments from parents on how personal the graduation was and how safe attendees and graduates felt. She added that the 4th grade tour of Cass went well as did Field Day.

Mr. Cross informed the board that there are a couple of controversial topics out in the community and across the state that the topics are prevalent due largely to misinformation. He reiterated to the Board that in Cass School District 63, no curriculum changes or instructional approaches have been modified and that he and the building principals will be very happy to speak with any parents who may have questions about curriculum content or issues they may read about that are taking place in other school districts.

B. CARE Reports and Grant Funding
There was no new report this month, but CARE looks forward to meeting again in person and the schedule for the 2021-22 school year has been set.

C. Updates Regarding Planning for the 2021-22 School Year
Mr. Cross announced that school districts have just recently received health guidelines regarding the opening school in the fall, but some questions remain and he expects additional guidance will be forthcoming. He further added that at this time, parents will not be required to provide proof of vaccination, but proof will be required for students who remain symptom free and wish to avoid quarantine after a close contact outside of the home. The state has also stated that daily screenings will no longer be required.

The District is considering having parents sign a one time only agreement that they will not send their children to school if their children exhibit certain symptoms. There is a possibility that screening with COVID tests will occur and be tied to whether or not a child needs to quarantine, but more information needs to be provided by IDPH. Mr. Cross will continue to work with the team on the plans and will communicate to the Board, staff and parents as the school year approaches.

It was asked how teachers in the younger grades feel about adjusting the social distance guidelines and whether or not the district is considering forming student pods for kids to work within to limit exposure. Mr. Cross
CASS SCHOOL DISTRICT 63
Board of Education Regular Meeting Minutes
Tuesday, June 22, 2021

answered that the district will consider and use as many layered mitigation
approaches as possible, but it isn’t possible to always keep students in
homogeneous groups due to the varying needs of each student academically
and socially. It was also asked if the district would allow students to leave
campus for lunches with their parents like last school year and it was shared
that this will be allowed this year as well.

D. Update Regarding Ivy League Kids Before and After School Program
Mr. Cross reviewed the Ivy League Kids Contract stating that only Cass School
District 63 students are permitted to attend the program. A question about
whether or not the district would be charging Ivy League Kids rent to use our
facilities and Mr. Cross responded that he does not feel that he would
recommend not doing so for the upcoming school year to avoid that cost
being passed on to parents.

E. Update and Discussion Regarding Goal Setting and Strategic
Planning
President Camden and Mr. Cross discussed the strategic planning process
with the Board. Mr. Cross shared that from his experience, an effective
strategic plan is simple and straightforward, and provides big picture goals,
rather than specific details. Just as importantly, it provides a mechanism for
the Board to monitor ongoing progress toward those goals. Once the goals
are determined, it is the administrative team’s responsibility to help the
district move toward those goals and provide periodic progress reports. After
some discussion it was decided that rather than using outside hired
assistance, Mr. Cross will facilitate the process and that the first meeting will
be held on August 3 at 6:00 p.m. and the second on September 7 at 6:00
p.m. Each session will be scheduled for two hours.

Mr. Cross also asked the Board if they would be open to shifting the
September Board Meeting to Thursday, September 23 and the Board agreed.

F. Review of Proposed 2021-22 Student Handbook Updates
Mr. Cross reviewed the recommended updates and stated that the principals
followed the model Illinois Principal Association handbook to develop them.
G. Presentation of the Fiscal Year 2022 Tentative Budget
Mr. Cross and Fiscal Services Director Deb Dolehide reviewed the 2021-22 tentative budget. The budget is balanced and is now reduced to five funds. Some unknown variables are the cost of employee health insurance the second half of the fiscal year, as well as special education and related transportation costs. Finance Committee Chair Esposito and Member Wyent both feel that this is a very solid budget and that the process was very clear and straightforward.
