

## **INSTRUCTION**

### **6:30 Organization of Instruction**

The School District has instructional levels for grades Prekindergarten through Eight. The Superintendent shall annually present to the Board of Education a plan for organizing instructional levels and assigning them to school facilities in order to:

1. Support the District's educational program,
2. Maximize facility usage without undue overcrowding, and
3. Provide substantially comparable instructional programs across the District.

Students, for instructional purposes, may be placed in groups within a school that do not necessarily follow grade level designations. For purposes of attendance reporting and other records, however, each student is assigned a grade-level placement.

#### **Kindergarten**

The District maintains a full-day kindergarten with an instructional program that fulfills the District's curriculum goals and objectives and the requirements of the State law. Half-day kindergarten is available as an alternative for families who make this request.
