RE: DuPage County Sex Offender List

Dear Parents/Guardians:

Cass School District 63 periodically receives updated lists of individuals living within DuPage County who are convicted Sex Offenders. On the following pages you will find the most recent list made available from the DuPage County Regional Office of Education.

When this list is received, the District Office reviews this list for any new offenders living within Cass School District 63 boundaries. If anyone new is found living within District Boundaries, that information is communicated out to District families as soon as it is discovered and if possible, bus routes are rerouted to try to avoid stopping at or near the residence of the identified individual. The list is then posted on the District Website.

This information is also available at www.isp.state.il.us/sor. You may also find information about convicted child murderer and violet offenders against youth at www.isp.state.il.us/cmvo.

Please do not hesitate to contact the District Office should you have any questions.

Sincerely,

Kerry J. Foderaro
