Dear Concord Elementary School Families,

Welcome to the 2020-21 school year. As summer dwindles down, I hope you and your families are able to look back on some memorable family events over the past few months. The Concord Staff has truly missed all of your smiling faces. We are excited to start the year and see all of the students.

I promise that this communication will be much shorter than the last one. I just wanted to remind you of important dates and some new procedures. I will not do this every week, but I have outlined the next couple of weeks to keep everyone on track with our hybrid schedule.

- August 20: Teachers will be contacting families about Orientation
- August 24: Teacher Institute
- August 25: Orientation Day
- August 26: Teacher Institute
- August 27: Remote Students Only – device and textbook pick up 9:00 a.m. – 12:00 p.m.
- August 27 & 28: Teacher Remote Planning Days – No School for students
- August 31: First Day (K-4) at School for students in the Monday/Wednesday group
- September 1: First Day (K-4) at School for students in the Tuesday/Thursday group

- September 3: First Day (PreK) at School for the students in the Tuesday/Thursday group
- September 4: Remote Learning Day

We will have a car line pick-up just like we did at the end of last school year for the REMOTE ONLY students/families to pick up their devices and textbooks on August 27, 2020 from 9:00 a.m. – 12:00 p.m. You can drive through the line anytime between 9:00 a.m. – 12:00 p.m. Please put a sign in your car with your child(ren)’s name and grade level. A staff member will be outside greeting families in cars.

In past years, you have received the following documents at in-person Orientation. Digital links to these items will be sent with the August 20 NoteTotes. Many things have changed (especially end of day dismissal procedures), so please take the time to read through this important information.

- Concord Arrival and Dismissal Procedures
- Concord Car Rider Sign (These will be available on the first days of school also.)
As always, thank you for your understanding and patience as we navigate through our 2020-21 school year. Our goals are safety first, implementing a rigorous instructional program, and building long-lasting, positive relationships with our students. We are looking forward to another fabulous year together.

Yours in Learning,

Laura Anderson
